The screenshot shows the top navigation bar of the website. On the left, there is a green vertical bar with the letters 'ST' in white. To its right, the text 'Computer Science' is displayed in white, with 'Master programme' underneath. Below this, a horizontal menu contains the following items: 'Programme', 'Application', 'Courses', 'Study', and 'After graduating'. On the far right of the header, there are links for 'Unimia', 'Registrar', 'People Finder', 'Ariel', 'Webmail', 'Library Service', 'ITA', and 'ENG'. Below these links is the logo of the 'UNIVERSITÀ DEGLI STUDI DI MILANO' and the text 'LA STATALE'. At the bottom right of the header, there is a search icon and a hamburger menu icon.

The banner features a dark background with a blurred image of a computer screen displaying code. The code includes lines such as 'Copybara.javascript_driver = ...', 'Category.delete_all; Category.create', 'Shoulda:Matchers.configure do |config|', 'config.integrate do |test|', 'with.test_framework :rspec', 'with.library :rails', 'end', 'end', '# Add additional requires below this line...', and '# Requires supporting ruby files with ...'. Overlaid on the right side of the banner is the text 'Computer science' in a large, bold, white font, with 'Master Programme website' in a smaller white font below it.
